What is BusPlus?

BusPlus, CDTA's version of Bus Rapid Transit (BRT), is a limited stop service along the 17-mile stretch of Route 5 between downtown Albany and downtown Schenectady. BusPlus offers the flexibility and cost advantages of buses, offering limited stop operation which move customers quickly and efficiently.

What makes BusPlus different?

- **Faster Service:** BusPlus will reduce the number of stops by 80%, significantly shortening travel times.
- **Frequency:** BusPlus buses will arrive at regular times throughout the day and evening with extra service during peak periods.
- **Convenience:** BusPlus stations provide shelter and security plus customers will benefit from shared-use, park-n-ride lots along the route.
- **Accessibility:** BusPlus vehicles are low-floor, no-step buses for easy boarding with bike racks on the front for easy storage.
- **Environmental:** Hybrid technology adds to the environmental benefits, while LED lighting on the buses allow for easy recognition.

What is Limited-Stop Bus Service?

Limited stop bus service makes only stops at major intersections, landmarks, or at transfers to other bus routes in the CDTA system. BusPlus stations are located at our 18 busiest stops, providing service to a majority of customers who need it.

How Will BusPlus Affect Other CDTA Services?

Local service will complement BusPlus and a simple transfer to any local route that runs on Route 5 will allow easy access for additional travel choices.

What Will It Cost to Ride BusPlus?

The BusPlus fare will be \$2 for cash customers. CDTA riders who use SWIPER or other pre-paid fare media products will pay \$1.50 or less per ride.

Will Local Service Still Be Offered on Route 5?

All local service will meet at the Colonie Center stations and connect with other locals or BusPlus buses for riders who need to extend their trip.

- Route 1 will remain the same, and will stop at all local bus stops and BusPlus stations.
- Route 55 Albany-Schenectady service will become Route 355 and no longer travel all the way to downtown Albany, but merge with local buses at Colonie Center for transfers.

Customers who travel Route 5 will have three CDTA travel options:

- Local service (Route 1 for Albany or Route 355 for Schenectady)
- Local to BusPlus service (Route #355 connects to BusPlus at Colonie Center) (Route #1 connects to BusPlus at Colonie Center)
- BusPlus service all along the Route 5 Corridor from Schenectady to Albany

Albany / Schenectady

between Downtown Schenectady and Downtown Albany

EFFECTIVE AUG 28, 2011
