

**INVESTMENT POLICY
CAPITAL DISTRICT TRANSPORTATION AUTHORITY**

These guidelines detail the operative policy regarding the investing, monitoring and reporting of funds of the Capital District Transportation Authority (the "Authority").

1. Purpose

- a) Establish a policy whereby current funds, in excess of immediate needs are invested to earn a reasonable rate of return while safeguarding the principal amount.
- b) Assure that invested funds are diversified and adequately safeguarded. The investment portfolios will, at all times, be diversified. No single issuer will represent more than 5% of a given portfolio. There is no limitation for the debt of the US Government or one of its agencies, except that the debt of a single agency will not represent more than 50% of a given portfolio. Certificates of deposit issued by a single bank are limited by the legal maximum for FDIC insurance.
- c) Assure that adequate accounts and records are maintained which accurately reflect all transactions.
- d) Assure that an adequate system of internal control is maintained.

2. Authorization and Management

All investment decisions are to conform to:

- a) Section 1306 (4) of the Public Authorities Law of the State of New York, and
- b) Article 9, Title 7 of the Public Authorities Law of New York,
- c) 2 NYCRR § 201.1, *et seq.*

The Board may retain at the recommendation of the Performance Monitoring/Audit Committee ("Committee") one or more investment advisors, which meet the Authority's qualifications and grant the advisor discretion to execute transactions within the context of these policies. The advisor (s) will be expected to act as a fiduciary at all times in the best interest of the Authority.

3. Types of Investments

The permissible types of investments (“Permitted Investments”) are as follows:

- a) Certificates of Deposit issued by banks which are members of the Federal Deposit Insurance Corporation (FDIC). Certificates of Deposit of qualifying banks may also be purchased from Broker/Dealers licensed to conduct business in New York State which are members of the Securities Investors Protection Corporation (SIPC) and the Financial Industry Regulatory Authority (FINRA).
- b) Deposits in “Money Market” accounts in banks specified in Item (a) above.
- c) Money Market Funds that invest exclusively in obligations of the United States Government or one of its agencies, except that up to 1% of each investment account may be held in a conventional money market fund provided that the fund holds more than \$500 million in assets and the sponsor is a substantial and well regarded financial institution with no less than \$1 billion of equity capital. Further, the principal objective of the fund must be preservation of capital. The purpose of this exception is to accommodate relatively small amounts of cash that are not invested and not substantial enough to qualify for a specialized Government-only fund.
- d) Obligations of New York State, the United States Government, or Agencies of the United States Government. Obligations guaranteed, as to principal and interest, by one of these entities is also permissible.
- e) The primary investment objective is the protection of principal. All bank deposits of money should be fully collateralized or insured (e.g., FDIC insurance).

Each purchase must be confirmed in writing and be made in accordance with the provisions of this Investment Policy.

4. Operating Procedures

- a) The investment selection process shall utilize competitive quotations or negotiated prices, except in the purchase of federal government securities at auction.
- b) Approvals: The Vice President of Finance & Administration shall approve all investment transactions, and report investment transactions to the Chief Executive Officer. The process of initiating, reviewing and approving requests to buy and sell investments shall be documented and retained for audit purposes. The Investment Committee Chairperson, the Vice President of Finance & Administration and the Chief Executive Officer (when necessary) will meet with any and all retained investment advisors no less than twice per year to review and approve the portfolio holdings.

- c) Collateral Custody: The custodian of all collateral involved in any investment transaction must be either the Authority or a Third-Party Bank or Trust Company acceptable to the Authority. Such Bank may not be the same as that with which the investment is made. The custody agreement must be joint with the Bank providing the collateral.

If, at any time during the term of a Certificate of Deposit or deposit in Money Market Account, the collateral or underlying security market value does not equal the principal value of the investment, the Authority shall inform the Bank of the additional collateral required. If additional collateral is not added immediately by the Bank involved, the Authority shall demand the return of the amount invested and remove such Bank from the list of approved Banks for investment and deposit of Authority funds.

Any custodian or trustee of securities in any transaction to which the Authority is a principal may not relinquish control over such securities without the written consent of the Authority and the Investment Manager.

- d) If a Bank or Investment Broker/Dealer is operating as an agent for another Bank or any of its customers, such information must be disclosed to the Authority. To the extent the Board has retained an investment advisor, the advisor will act solely as agent on behalf of the Authority. The Advisor(s) may act as the Principal in a transaction only if it is authorized in writing by the Performance Monitoring/Audit Committee.

- f) Investments may be made by a telephone call. If the investment is a Certificate of Deposit (CD) that is eligible to be traded and cleared through the Depository Trust Company (DTC), it will be delivered directly to the custodian by the bank or broker/dealer. If the CD is not DTC eligible, such Certificate shall be mailed to the Authority or, if feasible, picked up by an agent of the Authority. The Vice President of Finance & Administration will immediately contact the designated custodian or trustee of the collateral for such investments, requesting telephone confirmation of deposit of collateral and receive from custodian a written instrument requiring the Authority's agreement before custody may be relinquished. In practice,

Banks will usually deposit a certain amount of securities for a specified period of time, equal to the probable maximum amount the Authority would be investing during such period, i.e., a month or ninety days. CDs that are fully insured by the FDIC (principal and expected interest) are not required to be collateralized. If authorization is initially given verbally, it shall be followed by written confirmation.

- g) Payment of funds shall only be made upon delivery of securities.
- h) A record of investments shall be maintained. The records shall identify the security, the fund for which held, the place where kept, date of disposition and amount realized, if required, and the market value and custodian of collateral.
- i) Custodians of deposits and money market accounts shall be required to report monthly or more frequently on activity occurring in the Authority's custodial account to the Accountant. There shall be monthly verifications of both the principal amount and market values of all investments and collateral. Listings shall be obtained from the custodian and compared against the Authority's records. The Investment Advisor will provide the monthly account transactions, account holdings and their market value. The Custodian will provide a quarterly statement of all transactions, account holdings and their market value.
- j) The Authority requires the custodian to send verification of securities held for the Authority whenever requested to do so by the Authority.

- b) An annual independent audit shall be conducted in accordance with the provisions of Article 9, Title 7 of PAL and 2 NYCRR § 201.1 *et seq*
- c) Collateral shall be verified monthly, if held by the Authority, by Members of the Performance Monitoring/Audit Committee. If held by a Bank, confirmation from such Bank will be given to Committee.
